MEMORANDUM

Subject.Hearings....

On Thursday, April 16, M. Herbert Syme, assistant city solicitor in charge of labor relations, of Philadelphia, testified at our preliminary hearing. His remarks, pp 156-176, are unusually rich. I call this testimony to your attention, at the suggestion of Mr. Wohlforth, in order that you may obtain the material Mr. Syme promised us.
Also, on p. 166 and in Mr. Syme's testimony, reference is made to the bonding of strikebreakers. If the mayor has kept his word of if the ordinance refered to by Mr. Syme has been enacted, there should be available to us a fairly extensive list of strikebreakers and perhaps some undercover operatives.
